Valgrind

Just a self reminder - I actually only just found out how useful `valgrind` can be 😛

Simple run

```
$ valgrind --tool=memcheck --leak-check=full --track-origins=yes -s
<command>
```

Or, with logger

```
valgrind --leak-check=full --track-origins=yes --log-file=valgrind.rpt
<command>
```

Maybe I will elaborate on this some other time.
